Agee & Evens

The 1970 Mules football team, under the guidance of first-year head coach Frank Marino, rolled up the finest record of any Mule team in recent years. They were 7-2, losing only to Lebanon and Moravian. Much of their success may be attributed to the superb job done by the experienced offensive line.

Muhlenberg was in the thick of the fight for the Southern division championship until the last game of the season when Moravian whipped the Mules for the title.

All This

And
For What?

Rebounding from a mediocre past season and the loss of three supposedly returning lettermen, the Cross Country team showed a surprising potential this year.

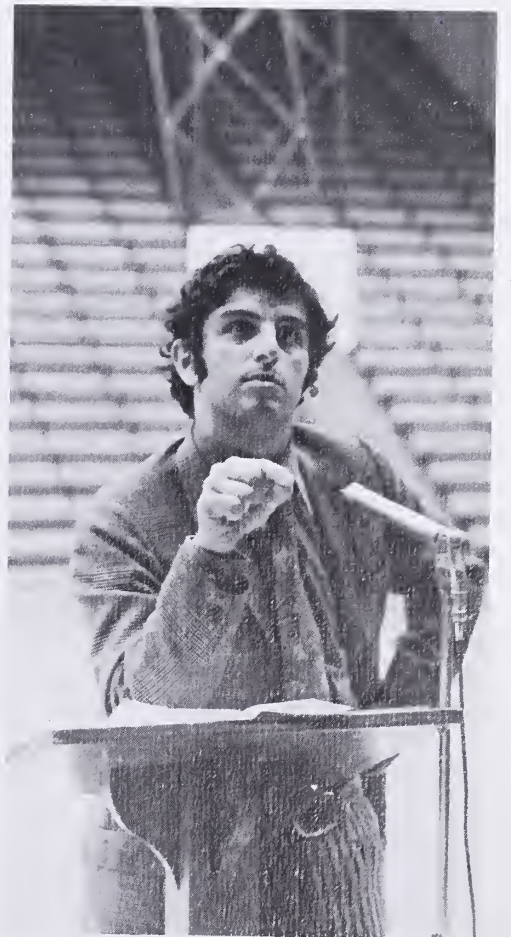

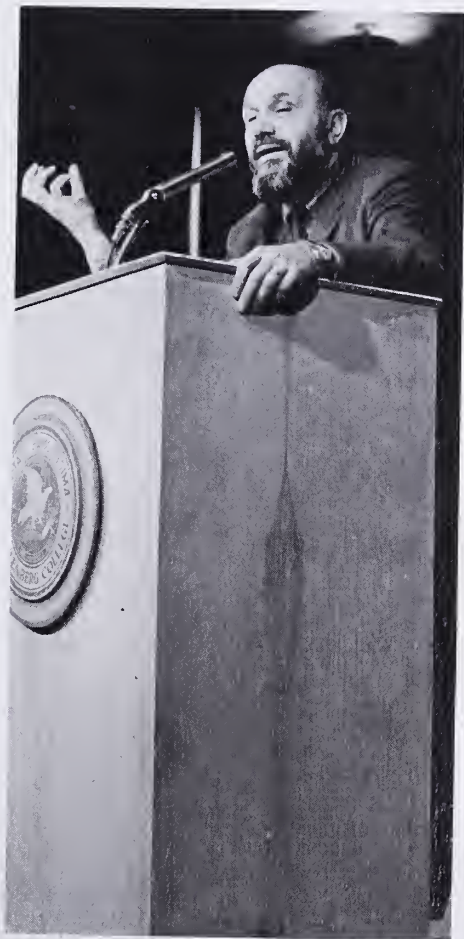

Coach Flamish, in his first year coaching the 5 mile harriers, tallied the best record of 4-9.

Rich Barrett broke the Cedar Park record three times, including a phenomenal 29:18 clocking of the route.

The only real down of the season came at St. Joseph's where the M.A.C.s proved to be nothing more than a post season obligation for the 'Berg runners.

What can safely be called the "Era of McClure" is now over for Berg basketball.

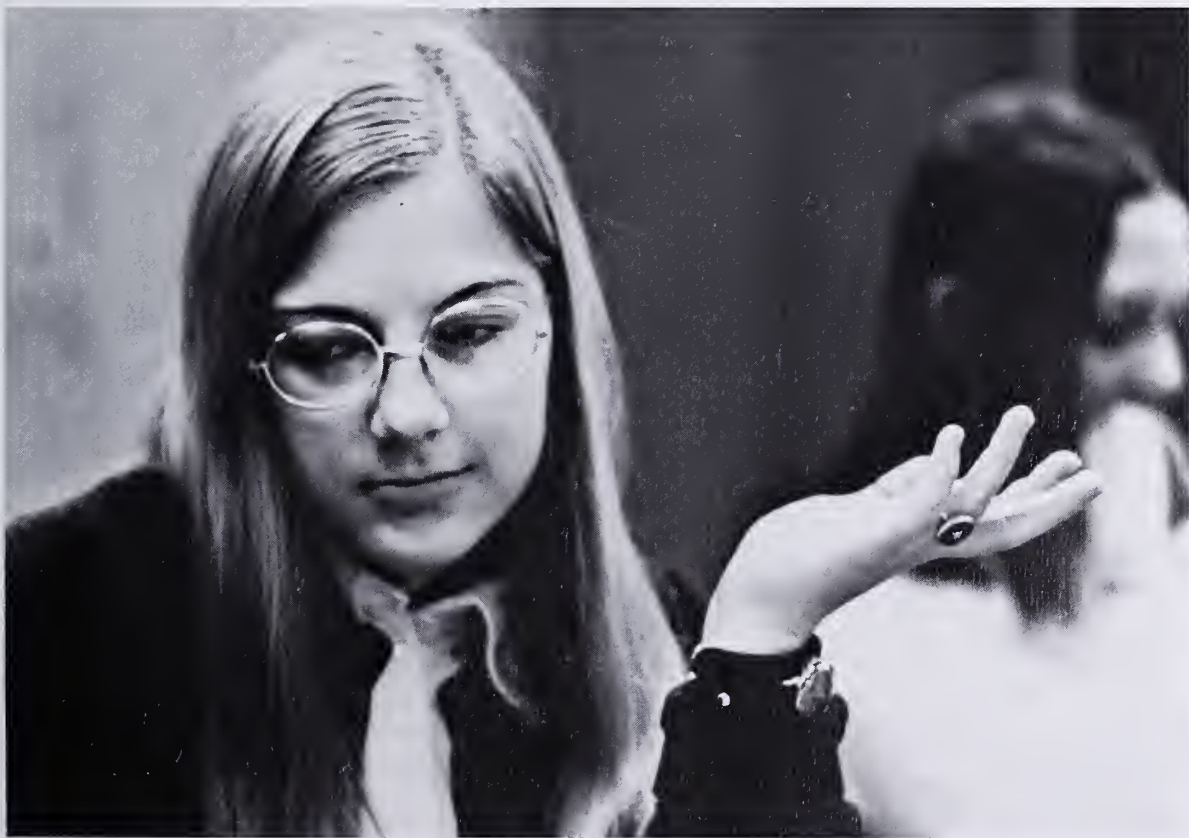

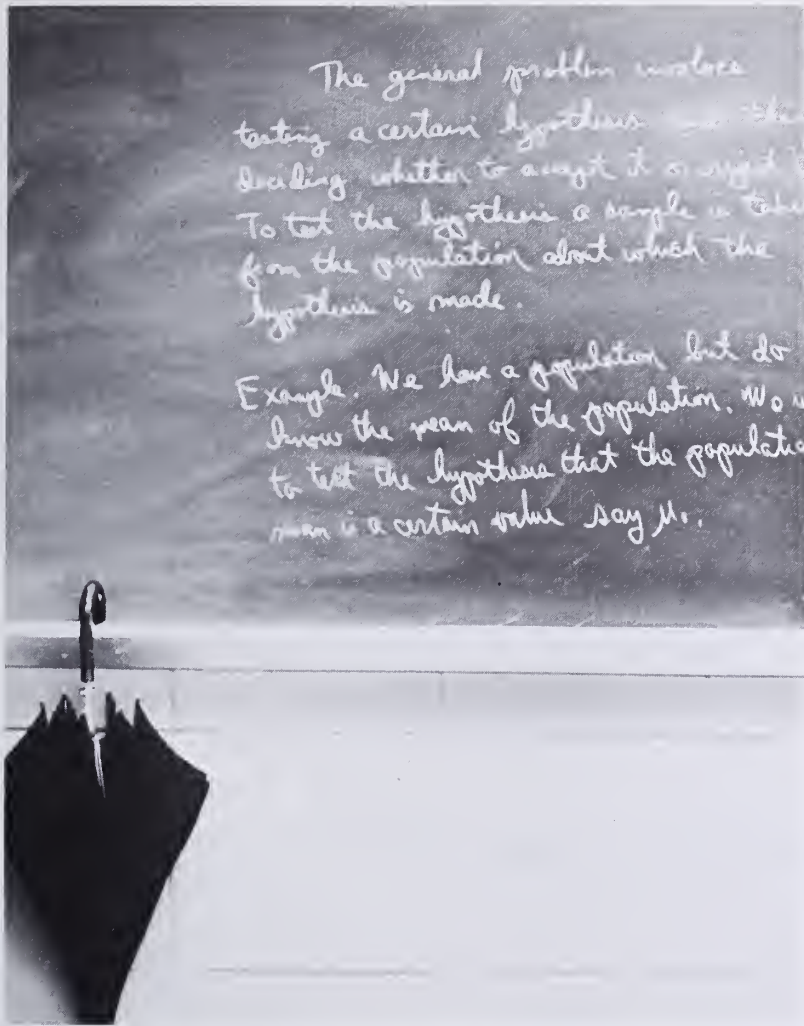

The 6'5 pivotman left behind him a slew of records and the lasting impression that the school has graduated perhaps its top hardcourt performer to date. McClure broke the all time scoring record and most points scored in a single game with 44 against F&M.

The 70-71 season, however, was not a one-man show. In fact, several underclassmen, Frank Scagliotta, Jay Haines, Joe Paul, and Dale Hava, showed that the Mules would be almost as tough without the smooth-shooting McClure.

Coach Moyer led the Mules to a 17-8 record, without winning the Southern Division crown. But even without McClure, this could change next year.

A black and white photograph of a courtyard. On the left, a multi-story building with many windows curves around the courtyard. On the right, there are bare trees. In the center, a small domed structure is visible. The entire scene is framed within a circular vignette.
